**Cheney Rail Trail**

The Manchester Land Conservation Trust received 11.57 acres of open-space land from ECHN Prospect Hospital on January 27, 2022. The property consists of five lots:

- 37 & 97 Hemlock Street,
- 77R Alton Street, and
- 62 & 66 Hawthorne Street.

The Land Trust will conserve this property in line with our mission of protecting open spaces • for habitat for plants and animals, • for clean air and water, and where possible, • for trails to foster an interest in the natural world for the whole community.
